Contributors analyze similarities and differences in trust across public domains from politics and policing to medicine and science, and across languages and nations. One day, however, he impulsively left his sickbed, dove over a waterfall, swam into a raging river and began to lead a strenuous life.

ByMargaretR.Lattuca'sfindingsaretoonumeroustomentioninthisshortcc
He has authored more than forty scholarly articles and book chapters on this topic. It purports to do so through the performative elucidation and questioning of historically constituted in justice in and through the legal process
