His father was from Kenya; his mother from Kansas. Sakeenah Francis tells her daughter about her darkest moments of living with schizophrenia in a series of letters that chronicle the first time she heard voices in her head, her hospitalizations, her struggle to parent, and her arduous path to long-term recovery. The physical world is also essential in the content and style of this book, and the imagery is wonderfully vivid. The American-born daughter of Chinese immigrants, Kingston navigates a web of secrets. The first of which is that most of Rosie's memoir is a lie. When I started typing, I was only going to write the one line below with the numbers and then it all just came gushing. Marvin rated it it was amazing Mar 08, All I can think of was to escape this peril was a man known for his frequent affairs, gambling addiction, and, most disturbingly, sexually inappropriate advances toward his daughter and granddaughter. Threads collapsed expanded unthreaded.
