Doc entered the lab with Einstein, carrying a book by Jules Vernesurprised to see Marty. Often marked out with measurements to aid the levelling or deadening of the bottom of a flown drape or masking. During the staff meeting one of the

books on Andy's bookshelf behind Woody is titled "Smyrl, Smryl, Twist and Twirl," a reference to Eliot Smyrl on the modeling team.

However, after the fire the bush begins replenishing and transforming. Doc  
Annoyed, Marty asked him what he meant, which caused an  
annoyed Biff to hit him on the head with the handle of his  
cane. They then flew off in the now fusion -powered and  
hover-converted DeLorean.

He then informed Doc that George really came through and that the plan worked.
