Washington Post. Retrieved January 2, July 5–17, Nearly three-quarters said in a separate survey that the news media are biased. The vast expenditure of lives and resources on a unwinnable conflict taxed US relations with key NATO allies and heightened the war weariness of average Americans, most of whom could not identify Afghanistan on a map. In areas outside of terrorism, the Obama administration has demonstrated less commitment to international law and legal institutions than many Europeans expected. This conclusion pains me deeply as I had dared to hope that the administration might actually do something to relieve the Palestinian plight. PewResearchCenter. Michael J. The Supreme Court deadlocked on its constitutionality this past June. We were contemplating coming in and arguing that it was unconstitutional for California to refuse to recognize the legal validity of same-sex marriages.
