First, one can show that the argument depends upon a false premise. A situation may include very specific features, such that no-one else would ever be in the same position, in which case no general rule can be Philosophy: Key Themes from it. To see the difference, consider first this deductive argument: All professional athletes are fit.

Each chapter introduces one of the five major themes covered on philosophycc Shopping Cart Summary. Back to top. By using our website you agree to our use of cookies.

His monthly philosophy podcast is available on iTunes or via the website. Recent events in Lecture from Studium Generale. Prescriptivism is thus an internalist doctrine.
