Case work and small- group discussion were a great help in overcoming this difficulty. Moral obligations based on humanitarianism, a duty to repair, and the political legitimacy of the international order can be used to inform refugee policy and provide a sound moral as well as policy basis for determining the number of refugees to be admitted. Or do they merely have different priorities due to the situation they are in – or could they learn to frame the story differently and in a way that would be more beneficial to their public in the understanding of how to navigate their

future based on the blood-letting and destruction of the past and present. Oxford:OxfordUniversityPress.Environmental Case Work. Introduced here as a philosophical perspective, it proposes three aspects widely accepted in the Christian tradition: the existence of God, the origin of evil, and human dignity Davies
