Cordless Impact Drill Light Series With RPM No Load Speed.

Bosch 18v cordless drill replacement battery | zysozecisilo.ml

We now have a 2 year Premium service on all Li-ion batteries
and chargers. I have the v li ion GOP, GDR, GSR and GLI with 4
batteries between all of them, all of will testify as they are
7 years old and still work fine (Ni cd and Ni mh batteries I
might add!) . I already have the old 18V dewalt stuff.
