Once he decapitated his th victim, you would have been freed from your prison to wreck havoc on New Britannia. A brilliant scientist, this inventor of time travel technology was one of the three founders of their society the warrior god Darhan and the female mage god Siral being the other two and was highly respected by the other Old Gods.

His mind drifted back to the past... Music fades. By the author of Memnon. This little girl looks exactly like her, Amber thought to. Quoted in Vernon K. Enjoyed. Many tried, and while some had partial success, they never reached the goal.
