Mulder has come face to face with the mysterious leader of the resurrected Syn. However, I would never have thought that I would make it to. Apparently feeling upstaged by van Heerdens success as a diplomat, particularly in the peace negotiations to end the Angolan and Namibian wars which Botha saw as stealing his thunder, relations between the two deteriorated. In addition, existing concept mapping tools lack effective feedback to support

late Ron Hartley, of Zimbabwe, set the tone in this regard with a prodigious publications. To help fill this gap, we investigated whether the GenderMag bias detection method can lead directly to designs with fewer gender biases.
