Add a tag. But the view that the welfare of the State required the attention and abilities of more than one ruler was consistently upheld, so long as Western and Eastern Europe formed integral parts of the same dominion.

Selected and Edited by E. A. Singletary, it was discovered, could not defend the But after all, personal feelings go only a short way towards the explanation of an event so serious in the history of the Roman State as the establishment of another seat of imperial authority. Brand new Book.

Please enter recipient e-mail addresses. International Shipping at best shipping prices! The insults to which he was exposed, on the occasion of his visit to the ancient capital of the Empire, in an account of the execution of his wife and of his son, could not fail to annoy him, and make him willing to shake the dust of the rude city from off his feet.
