The third stage brought the line to the Albert–Bapaume road. Preparations for the battle had begun four days earlier, providing a series of signals to the Germans that a larger offensive may be about to occur. Get a better understanding of both battles and their broader context in the Somme Offensive of

AsArblasterleadstheretreatthismenarestruckbyahailofGermangunfire. But retreat is at least as perilous as attack, and many soldiers fall as they try to get back to the Allied line. As a result, the Bavarians have constructed platforms in trees, observation posts in church towers and chimneys, and concrete structures within taller farm buildings.
