A school may periodically review its mission and vision statements—such as every year or few years—to assess whether it is making progress toward its goals, reflect on setbacks that may have occurred along the way, and reconfirm its commitments. We have no idea whether it's a short-term goal or a long-range goal. Such statements are rarely understood or acknowledged by others in the school, and who can blame them? Every year the children will have the opportunity to perform in a presentation. Hallelujah chorus. Using technology to benefit others, e. The mission provides an overview of the steps planned to achieve that future. To be valued. A programme of school assemblies that introduce and explore a value each month. History Ideas of change and development and re-creation.
